**Sale Friday, Nov. 7, 1969
HUTCHINSON, KANSAS**

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

MANAGER'S MESSAGE

Kansas Shorthorn and Polled Shorthorn breeders always consign their best quality Shorthorns for the annual State sale. Most of the top Shorthorn breeders over Kansas sell in this sale.

Kansas ranks near the top in Shorthorn registrations and transfers in the United States. This year we have both Shorthorn and Polled Shorthorn bulls that will meet the ever increasing demand for cross-breeding. Strong, aged bulls, with size, substance and stamina. Big, thick, good footed bulls, that will continue to give Kansas State Shorthorn sales the reputation they have had in past years. More out-of-State buyers purchase cattle in this sale than any other purebred sale in Kansas.

The females in this sale will consist of the same quality as the bulls. Many outstanding 4-H club prospects will be sold. With the increasing demand for Shorthorn females, this will be a good sale to attend. Study the pedigrees back of each individual selling, and note the quality in each pedigree.

The schedule for this year will be:

Thursday, November 6, 1:30 p.m.—Show of breeding cattle.

Thursday, November 6, 7:00 p.m.—Annual meeting and buffet dinner, Ramada Inn.

Friday, November 7, 9:00 a.m.—Junior Shorthorn Association "Buy a Calf—Show a Calf" show; sale at 11:00 a.m.

Show of heifers to be picked for Denver immediately following Jr. calf show for the sale.

The Junior calf show will consist of 14 heifers and about 27 hand picked steers. The registered cattle will sell following the Junior Association sale. The quality of the calves consigned to this sale will be very good.

If you would like to start a new herd or add to your present herd of Shorthorns, I am sure you could find the right kind of cattle here. This "two day" show and sale will give you the time to select the kind of breeding cattle that could prove out to be just what you are needing.

Plan to attend the annual meeting and buffet dinner, Thursday, November 6, 7:00 p.m., Ramada Inn, Hutchinson, Kansas. Sale Headquarters are—Ramada Inn.
